Wait till you hear where we ended up...

...Springfield, Ohio, for NADAC Championships & 6 days of FUN!

We BOTH got to run – not the same classes – what a total blast!

And we both got "bling" – Rigel got a lot, but he's pretty old & deserved it!

A scenic view of a canyon with a rainbow in the sky. The rainbow is a double rainbow, with the primary rainbow being much brighter and more visible. The canyon walls are layered and have a reddish-brown hue. There are some trees in the foreground, including a large, leafy tree on the right and some bare, gnarled trees on the left. The sky is a mix of blue and white clouds.
